MALIBU, Calif.--(BUSINESS WIRE)--July 22, 2003--JAKKS Pacific, Inc. (Nasdaq:JAKK), a leading multi-brand company that designs and markets a broad range of toys, leisure products, crafts and writing instruments today announced results for the three and six-month periods ended June 30, 2003.

Second quarter net sales were \$73.3 million, compared to \$79.0 million in the comparable period last year. Excluding one-time charges, net income for the period was \$5.3 million, or \$0.21 per diluted share, compared to \$8.9 million, or \$0.41 per diluted share, for the second quarter of last year. Including one-time charges, net income was \$3.2 million, or \$0.13 per diluted share in 2003, compared to \$7.8 million, or \$0.36 per diluted share, for the same period last year. The Company recognized pre-tax charges of \$2.7 million in 2003 and \$1.5 million in 2002 relating to the voluntary recalls of one of its products. The Company had 24.7 million diluted shares outstanding in the second quarter of 2003, 12.4% more than the 22.0 million diluted shares outstanding in the second quarter of 2002.

The Company's net sales for the six months ended June 30, 2003 were \$141.0 million compared to \$138.9 million during the same period in 2002. Excluding one-time charges, net income during the period was \$11.2 million, or \$0.45 per diluted share, compared to \$15.9 million, or \$0.76 per diluted share, for the comparable period last year. Including the restructuring charges of \$6.6 million taken in the first quarter of 2002 and the one-time second quarter charges for the aforementioned product recalls, net income for the first six months of 2003 was \$9.2 million, or \$0.37 per diluted share, compared to \$10.0 million, or \$0.47 per diluted share, for the same period in 2002.

"The second quarter was a challenging one for JAKKS Pacific, as well as for many of our peers," said Jack Friedman, Chairman and Chief Executive Officer.

"As a result of general economic conditions and unusually poor weather, particularly in the Northeast section of the United States, cutbacks in orders from some of our customers in late June had an adverse effect on our performance for the quarter as a whole. This included sales of seasonal products, including kites from our Go Fly a Kite line and water products from our Funnoodle and Trendmaster/Storm brands. In addition, due to strict labor constraints in factories throughout China as a result of the SARS epidemic, production continued but was somewhat slowed during the second quarter, causing a delay in the initial shipping of our NASCAR(R) line, as well as a key SpongeBob SquarePants item, which we had expected to ship in June. As a result, we first began to ship these items during the third quarter.

"While we believe 2003 will be another profitable year for JAKKS Pacific, we have adjusted our expectations due to the continued challenging economic environment. We now expect full year sales for 2003 to be at least \$310 million and diluted earnings per share, excluding one-time charges, to be in the range of \$1.30 to \$1.35," Friedman concluded.

Stephen Berman, President and Chief Operating Officer, stated, "We are encouraged by interest from our retailer partners for the upcoming holiday selling season, and are pleased that a number of key items have emerged as drivers, including our NASCAR line of action figures and vehicles, our Dragon Ball, Yu Yu Hakusho(R) and World Wrestling Entertainment product lines, as well as our TV Games line, Swap N' Bop SpongeBob SquarePants, and rolling activity cases for Disney, Dora the Explorer and Hello Kitty, to name a few," stated Mr. Berman, "We are also looking for continued growth from our candy line of flavored tongue strips, Tongue Tape(TM), as we capitalize on new licensing programs for this product and introduce multiple line extensions, including a line of children's vitamins."

Mr. Berman concluded, "Because of our continued strong operating cash flow and the successful placement of \$98 million in convertible senior notes, we believe our financial position is very solid with \$220.9 million of working capital, including cash of \$144.4 million. Given the strength of our balance sheet, we believe we are well positioned to take advantage of acquisition opportunities and continue to grow our business through internal and external developments that will further diversify our product offerings to our existing and new retail accounts."

Anyone interested will be able to listen to the teleconference, scheduled to begin at 5:00 p.m. EDT (2:00 p.m. PDT) on July 22, via the Internet at www.jakkspacific.com or www.CompanyBoardroom.com. These websites will host an archive of the teleconference for 30 days.
